ABOUT OUR BUSINESS

Founded in the 1990s, PDQ Textiles Limited is a global denim apparel solution provider committed to sustainability and ethical practices. As a SEDEX-approved company, we partner with leading fashion and e-commerce brands in the UK and US. With end-to-end capabilities and a dedicated team, we deliver over 300 work orders monthly—offering high-quality, trend-driven garments with speed, efficiency, and minimal waste.

PDQ TEXTILES LIMITED

WHY US?

- **Low MOQ (150+ pcs)** – test without risk
- **Fast turnaround (4–6 weeks)** – stay on trend
- **End-to-end solution** – idea to delivery
- **Startup to scale ready** – we grow with you
- **Global experience & Presence** – UK, USA, e-com brands
- **Consistent quality** – strict QC standards
- **Ethical production** – SEDEX approved
- **Hassle-free process** – no middlemen
- **Trend-driven support** – what sells, not guesswork
- **Long-term partner** – not just a supplier

CONCEPTUALIZATION AND IDEATION

With a solid understanding of the brand, our team embarked on a brainstorming journey, generating innovative ideas that would redefine the brand's image. Sketches, mood boards, and concept presentations played a crucial role in this phase.

OUR PARTNERS

PORTFOLIO

-  Idea to production in 4–6 weeks
-  Low MOQ production (150+ per style)
-  Private label/OEM manufacturing
-  FOB & DDP global shipping

DISCOVERY AND BRAND ALIGNMENT

We initiated the project with an in-depth discovery phase, immersing ourselves in the brand's ethos, target audience, and aspirations. Our goal was to align our creative direction with the essence of the brand.

WE DON'T COMPETE ON PRICE ALONE — WE COMPETE ON SPEED + EASE + RELIABILITY.
